About Semler Scientific, Inc.:

Semler Scientific, Inc., is an emerging growth company providing technology solutions to improve the clinical effectiveness and efficiency of healthcare insurers and physician groups. Our mission is to develop, manufacture and market innovative proprietary products and services that assist healthcare providers in evaluating and treating chronic diseases. Our first patented and U.S. Food and Drug Administration, or FDA, cleared product, introduced commercially in 2011, measured arterial blood flow in the extremities to aid in the diagnosis of peripheral arterial disease. In March 2015 we received FDA 510(k) clearance for the next generation version of this product named QuantaFlo™, which was commercially launched in August 2015. In April 2015, we launched our multi-test service offering, WellChec™, to more comprehensively evaluate patients for chronic disease. Additional information about Semler can be found at www.semilerscientific.com.
