- Net income of \$7.4 million, or \$1.10 per basic share and \$0.92 per diluted share, a decrease of \$4.2 million, or 36%, compared to \$11.6 million, or \$1.72 per basic share and \$1.42 per diluted share

 $Semler\ Scientific's\ two\ largest\ customers\ (including\ their\ affiliates)\ comprised\ 39\%\ and\ 32\%\ of\ six\ months\ revenues.$

Semler Scientific had cash and cash equivalents of \$40.0 million as of June 30, 2022 compared to \$37.3 million as of December 31, 2021.

Among the achievements during the second quarter of 2022 were:

- 1. Highest quarterly revenues since inception.
- 2. Consecutive quarterly profitability since the fourth quarter of 2017.
- 3. Highest cash and cash equivalents balance since inception.
- 4. Re-purchased \$2.8 million, representing 99,012 shares of Semler Scientific's common stock at an average price of \$28.75 per share.

2022 Financial Guidance Update

In 2022, Semler Scientific expects continued profitability and generation of cash from operating activities, as well as increased spending to support anticipated growth in its business.

For the second half of 2022, Semler Scientific believes that:

- Revenue will range from \$29.2 million to \$31.2 million representing a growth rate of 14% to 21% compared to the second half of 2021
- Operating expenses will range from \$22.8 million to \$24.3 million

For the year ended December 31, 2022, Semler Scientific believes that:

- Annual revenue will range from \$58.0 million to \$60.0 million, representing a growth rate of 9% to 14%
- Operating expenses will range from \$42.5 million to \$44.0 million. The guidance for operating expenses indicates less spending than previously anticipated due to greater efficiencies achieved in Semler Sceintific's sales organization during the first half of 2022.

OTHER NOTABLE EVENTS

Mellitus Health and Insulin Insights™

In the second quarter of 2022, Semler Scientific acquired \$179,000 principal amount of outstanding convertible notes of Mellitus Health Inc., and loaned \$1.0 million to Mellitus through the purchase of a senior secured promissory note.

Initial installations and new sales for *Insulin Insights*™continue to progress. Semler Scientific still anticipates minimal revenue from these customers during 2022.

QuantaFlo® Product Extension

Semler Scientific is currently introducing the product extension of QuantaFlo[®] for use as an aid in diagnosing another cardiovascular disease to its existing client base using its current sales team. The product extension uses Semler Scientific's installed equipment with a software update. Semler Scientific does not expect significant revenue from the extension in 2022.

Share Buyback Authorization

Semler Scientific has \$17 million remaining in the board authorized stock repurchase program. The timing and amount of any transactions will be subject to the discretion of Semler Scientific based upon market conditions and other opportunities that it may have for the use or investment of cash balances.

About Semler Scientific, Inc.:

Semler Scientific, Inc. is a company that provides technology solutions to improve the clinical effectiveness and efficiency of healthcare providers. Semler Scientific's mission is to develop, manufacture and market innovative products and services that assist its customers in evaluating and treating chronic diseases. Semler Scientific's patented and U.S. Food and Drug Administration (FDA), cleared product, QuantaFlo[®], is a rapid point-of-care test that measures arterial blood flow in the extremities to aid in the diagnosis of cardiovascular diseases, such as peripheral arterial disease (PAD). QuantaFlo[®] is used by Semler Scientific's customers to more comprehensively evaluate their patients for risk of mortality and major adverse cardiovascular events (MACE), associated with a positive QuantaFlo[®] test. Semler Scientific has an agreement with a private company to exclusively market and distribute *Insulin Insights* ™, an FDA-cleared software product that recommends optimal insulin dosing for diabetic patients irthe United States, including Puerto Rico, except for selected accounts, and it made investments in this private software company and in another private company whose product, *Discern* ™, is a test for early Alzheimer's diseaseSemler Scientific continues to develop additional complementary innovative products in-house, and seeks out other arrangements for additional products and services that it believes will bring value to its customers and to the company. Semler Scientific believes its current products and services, and any future products or services that it may offer, positions it to provide valuable information to its customer base, which in turn permits them to better guide patient care. Forward-Looking Statements

This press release contains "forward-looking" statements. Such statements can be identified by, among other things, the use of forward-looking language such as the words "goal," "may," "will," "intend," "expect," "anticipate," "estimate," "project," "would," "could" or words with similar meaning or the negatives of these terms or by the discussion of strategy or intentions. The forward-looking statements in this release include statements regarding Semler Scientific's ability to evolve into a multi-product company, expansion of its client base, continued profitability and cash generation from operations and spending, projected second half and annual revenue and operating expenses, revenues from *Insulin Insights*™and the

QuantaFlo® extension, and the share buyback program. Such forward-looking statements are subject to a number of risks and uncertainties that could cause Semler Scientific's actual results to differ materially from those discussed here, such as whether or not insurance plans and other customers will continue to license its cardiovascular testing products, whether or not it will be able to successfully expand its product offering, whether or not

QuantaFlo® can successfully test another cardiovascular disease, as well as Semler Scientific's ability to continue to control expenses and preserve cash and meet its projected revenue and operating expense targets, whether or not the seasonality trends identified in the first quarter will continue, as well as continued uncertainty created by the ongoing COVID-19 pandemic, including any new variants, along with those risk factors detailed in Semler Scientific's SEC filings. These forward-looking statements involve assumptions, estimates, and uncertainties that reflect current internal projections, expectations or beliefs. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. All forward-looking statements contained in this press release are qualified in their entirety by these cautionary statements and the risk factors described above. Furthermore, all such statements are made as of the date of this release and Semler Scientific assumes no obligation to update or revise these statements unless otherwise required by law.
